

Casebrook Intermediate School: Violin Lessons 2023

Dear parents and caregivers,

I'm the violin teacher at Casebrook Intermediate and would be happy to teach your child, whether he or she is a total beginner or has already done some violin study.

I charge \$30.00 per half-hour individual lesson or \$20.00 for twenty minutes. It may be possible for your child to have a shared lesson with another child, which would reduce the cost if there is a compatible child.

I will send you an invoice at the end of the term, according to the number of lessons we've had. The school has hire violins available at no cost (some conditions apply) for the year of tuition.

Our lessons will be on Tuesday mornings. The school allows children to come out of class for music lessons.

After a few months, your child will be able to play some simple but satisfying pieces. He or she will need to practise at least three or four times a week, for 15 to 20 minutes, in order to make good progress.

I come originally from Australia where I played for eight years with the Opera Orchestra at the Sydney Opera House. For the last twenty years, I've lived in Christchurch where I teach in many schools and play in the Christchurch Symphony Orchestra.

To enrol your child for lessons, please fill out the form provided by the school. Include your full name, email address, child's full name and classroom number, contact address and phone numbers, and your child's experience (if any).

Please feel free to contact me if you have further queries. My contact details are Below.

Sincerely,

Ian Bolton
